Dear Valued Customers:

We are pleased to announce that, effective today, Cox Lumber Ltd. has been purchased by A. L. Thompson's and will join the A. L. Thompson's family of companies, through the acquisition of its Bodden Town retail store and George Town contractor yard.

This new company structure does not affect your day-to-day business with A. L. Thompson's or Cox Lumber, and your points of contact will remain the same.

Bringing Cox Lumber and A. L. Thompson's together is a natural step for both businesses and will allow us to expand our offerings for retail customers, do-it-yourselfers and contractors alike. We are excited about the opportunities this brings for our customers.

With our aligned Caymanian family values and a now combined network of suppliers, we are more committed than ever to providing the best customer experience, range of products and competitive prices, all with the added benefit of two more convenient locations for you to shop from.

A. L. Thompson's President, Mr. Al Thompson, will lead the business supported jointly by A. L. Thompson's and Cox Lumber's existing leadership teams, with a focus on utilising the proven strengths of each company. Your A. L. Thompson's and Cox Lumber accounts will continue to be managed by your current account managers.

We are looking forward to the exciting future for our company and continuing and expanding our relationship with you.

If you have any questions, please reach out to your usual contact.

Kind regards,

Al Thompson
President
